| 9:00am – 10:00am | Zachary Tamayo | Aquatics Representative | American Red Cross  
**About the Speaker...**
Zachary is a developing health professional with a background in aquatics. He currently works for the American Red Cross as the Southern California, Hawaii, and Pacific Islands Aquatics Representative. He has a lifetime of experience in and around water, as well seven years in the aquatics industry. Zachary holds certifications in Lifeguarding, Lifeguard Management, and as a Water Safety Instructor. He holds a Bachelor’s of Science degree in Health Science with a concentration in Health Care Management, and is currently working on his Master’s Degree in Public Health with a specialty in Health Services Administration.  

**Water Safety Education and Community Health**
This presentation will provide an overview of how the American Red Cross partners with local organizations to improve the level of water safety education and water competency community members receive when participating in aquatic environments. Zachary will address the necessity for having accessible health resources within our local communities to ensure individuals achieve and maintain a healthy lifestyle. He will also discuss the importance of:

- Establishing aquatic programs and how to gain community support.
- Detailed lifeguarding operations to improve community and staff safety.
- Using modern communication to improve the level of self-efficacy for individuals.

| 10:00am – 10:15am | Break and Networking |

---
10:15am – 11:30am  George Williams | Senior Occupational Safety, Health and Environmental Professional and Ergonomist | California State University San Marcos

About the Speaker....
George Williams is a skilled and seasoned EHS Professional, currently working as the Senior Occupational Safety, Health and Environmental Professional and Ergonomist at the California State University San Marcos. He has a Master’s Degree in Public Administration from University of La Verne, a Bachelor’s Degree in Business from Azusa Pacific University, a certification in Environmental Compliance & Engineering. He is also a Certified Safety and Health Official (CSHO), and a credentialed Occupational Safety and Health Administration (OSHA) trainer. George has worked in several local, State, and Federal government entities, and was a Risk Management Safety Professional at the City of San Antonio. George served 20 years on active duty in the US Air Force, and worked as a Public Affairs Officer for the California State Military Reserve.

Applied Ergonomics – Ergonomic Program at California State University San Marcos (CSUSM)
This presentation will provide a brief overview of ergonomics and how it is presented to the State and Auxiliary employees on campus. The presentation will explain the ergonomic program process, procedures, and data driven methodologies. The presenter will address certain interdisciplinary and/or collaborative efforts regarding the Safety, Risk & Sustainability (SR&S) department’s utilization of an Ergonomic Resource Fund (ERF), as well as provide examples of some specific ergonomic tools and the equipment that is being utilized or suggested. As a result of this presentation, the participants will gain enhanced knowledge regarding an alternative ergonomic evaluation approach/methodology, and the benefits of utilizing a reimbursement-type process within an ergonomic program.

11:30am – 12:00pm
- Regulatory Update – Bill Taylor, CSP - City of Anaheim
- Budget Update – Glenn Newson, PASMA South Treasurer
- Open Forum Discussion and Adjournment
