Sit/Stand Solutions: The Good, The Bad and the Ugly

*Presented by: Joanette Lima Nativo, PT, MS, CPE*

*About the Speaker...*

Joanette Lima Nativo, is a well-established ergonomist in Southern CA and known nationally for her expertise. She has been consulting in the field of ergonomics since 1990. Currently she is the owner of Ergonomic Focus, a full service ergonomics consulting firm specializing in helping private industry and public agencies implement effective strategies for reducing costs and improving human performance. Ms. Lima Nativo is a Certified Professional Ergonomist and a Physical Therapist. She worked as the Ergonomics Program Manager at the Disneyland Resort for several years, and prior to that was a principal in an Orange County based ergonomics consulting firm (Woodward, Alpert & Associates, Inc). She has extensive experience in industrial and office environments, and teaches part-time at Cal State Fullerton.

The presentation will focus on the following:
- Recent research findings regarding the use of sit/stand options in the office environment
- What to consider if someone requests this option
- Selecting appropriate solutions, and avoiding pitfalls
- Practical guidelines if employees have them, and what if they don’t?
- Strategies on how to deal with this issue.
10:30-11:30am  *Inspections and Documentation*

*Presented by:*  
**Officer Gabe Torres** California Highway Patrol  
**Ron Mack** Motor Carrier Specialist I, California Highway Patrol

**About the Speakers...**

A 20 year veteran of the CHP, **Officer Torres** has spent 17 years as Mobile Road Enforcement (MRE) officer dedicated to the enforcement of State and Federal laws regulating the maintenance and transportation of Commercial Motor Vehicles (CMV) throughout the State of California. Officer Torres is a Federal and State certified Hazardous Materials Technician trained in the response and mitigation to hazardous material incidents under CHP jurisdiction. In addition, Officer Torres is a Commission on Peace Officer Standards and Training (POST) and California Specialized Training Institute (CSTI) certified instructor specializing in the instruction of Hazardous Materials First Responder, Operational (FRO) and multiple CMV subject matter through the Commercial Industry Educational Program.

Motor Carrier Specialist (MCS) **Ron Mack** has been with the California Highway Patrol (CHP) for the last 13 years, ensuring Motor Carriers within the commercial vehicle industry understand and implement the statutes and regulating the industry. Prior to working for the CHP, MCS Mack spent 16 years of his professional career as a logistics manager for Ryder and Cardinal Logistics.

Terminal inspections have been conducted by the CHP since 1965 as a tool to determine if motor carriers are complying with Motor Carrier Safety regulations, particularly with regard to the legal requirement to maintain commercial motor vehicles according to a scheduled maintenance (preventive maintenance) program. The CHP's role is to determine whether carriers' selected maintenance schedules are adequate to prevent collisions or mechanical breakdowns involving the vehicles, and all required maintenance and driver records are prepared and retained as required by law. **Officer Torres** and Ron Mack will jointly talk about B.I.T inspection; documentation and record-keeping; Fed vs State: data collection and retention.
