*Presented by: Thomas Hoge*  
President & Chief, Water Mitigation, Investigator SERVPRO of Downey and Montebello

Homelessness continues to be a growing challenge to public entities in California. This presentation will cover a basic understanding of what is involved in cleaning up a homeless encampment including the following:

- the do’s and don’ts,
- lessons learned
- concerns
- best practices
- legal factors

**About the Speaker....**

Thom has 20+ years of business consulting experience and for nearly a decade. He has developed and successfully implemented a system of service he calls ‘Specialized Cleaning Solutions’ (SCS). This business solution is specifically tailored to service clients with special and/or highly sensitive cleaning or remediation projects. His other specialties include SIU Investigations, water damage, mold remediation, biohazard cleanup and fire & smoke damage cleanup. Thom and his team have first-hand experience working with public and private agencies for homeless encampment cleaning-up projects. Thom is also the owner of two successful Servpro franchises, which complements the SCS program. His companies currently service clients throughout Los Angeles, Orange, Riverside, Ventura and San Bernardino Counties.

11:30-12:00 pm
